

FUNERAL ARRANGEMENTS FOR VETERAN CLERK

Old Employee of Pension Office Goes
to His Long Rest—Native
of Ohio.

The funeral of William K. Taylor, whose death occurred suddenly early yesterday morning, will be held this afternoon at 4 o'clock from his residence, 463 P street northwest.

Mr. Taylor was one of the oldest employees of the Pension Office, where he was for many years an examiner of claims. Born at Randolph, Ohio, in 1838, he had just attained his majority when the civil war broke out. During the early part of that great struggle he joined the 104th Ohio Volunteer Infantry, and served until the cessation of hostilities.

In civil life, he was a member of Lincoln Post, G. A. R.; Columbia Lodge, F. A. M.; Lafayette Chapter, R. A. M., and Columbia Commandry, K. T., of this jurisdiction.

The body will leave over the Pennsylvania railroad at 5 o'clock this afternoon, accompanied by delegations from the G. A. R. and the different Masonic lodges to which he belonged. Interment will be at Marietta, Ohio, tomorrow afternoon.

SECRETARY TAFT GUEST OF PANAMA'S PRESIDENT

Brilliant Entertainment Given in
Honor of American by
Mr. Amador.

PANAMA, Nov. 6.—The reception tendered Secretary Taft last night, by President Amador, was a brilliant affair.

It was attended by the Zone officials,

members of the diplomatic and consular corps, and the prominent residents of Panama.

Secretary Taft, accompanied by Colonel Edwards, chief of the Bureau of Insular Affairs, Col. William H. Black, and Lieutenant Brooks made an examination of the location for the proposed fortifications at the Pacific terminus of the canal. It was decided that the fortifications shall be constructed on the small foothill at Ancon.

Regarding the fortification of a small island in Panama bay it was determined nothing would be done until the construction of the canal is complete.

ZOO WAS CROWDED BY SUNDAY VISITORS

Largest Attendance Since Middle of
Summer, to Inspect New Ani-
mals—Bear Prospering.

The animals at the National Zoo continue to be the star attraction for the Sunday afternoon crowds in Washington. All yesterday great throngs passed

through the gates and at 3 o'clock several of the keepers estimated that the crowd was the largest of any Sunday since the middle of the summer.

Superintendent Baker and Keeper Blackburn are adding animals to the collection all the time. Some of the recent additions are a pair of Barbary kids, born at the Zoo a short time ago, four young Celebes black apes, a male nygrol, three gray foxes, five Langur monkeys and some unusual varieties of baboons.

The Alaskan brown bear is one of the most remarkable animals at the Zoo. When he first arrived he was a small sized cub, and it was not expected that he would become a notable creature. He has grown so rapidly in the last three years that today he is one of the largest specimens in captivity.

Keeper Blackburn takes great pride in the beast.

The small mammal house is rapidly nearing completion. The building is being constructed on strictly modern and sanitary lines. It is expected that the ventilating apparatus will carry all odor from the cages without any escaping to the space reserved for visitors.
